Casino Night is a Hit!

Thanks to Bill and Jan Mooney and the many volunteers who made this special night such a success! Not only was it a big night for our club but because of all of the hard work put into Casino night, $1100 was raised for scholarships for our local students. The volunteers spent many hours planning, going out into the community to get donations, setting up and making sure we hosted an entertaining and exciting evening

We appreciate your continued and growing support of Casino Night and we are already making plans for an even bigger and better event next year.

I would also like to thank everyone that contributed to our auction items. Our local business community was very generous to our fund raiser as well as members donating cash and great items for guests to bed on with their winnings for the night.
