

Brad's Message (Continued from Page 1)

My second challenge to all members is to get at least two new members involved in one of our lodge events, either by just attending to see what we do or better yet, helping out the committee. We've gained many new members over the past few years, there's many more on the horizon awaiting initiation and still more signing up everyday. Let's introduce them to the good deeds we do. Invite them to an event, ask if they want to help with an activity or play on a golf league or in a tournament. If you're a new member, please talk to other members about upcoming events or ask an officer to assist you in contacting the chairperson of a particular committee. Involvement is key to getting the most out of being an Elk! It's a chance for you to give back to your community, help those in need and experience that great feeling from doing a charitable act.

In closing, if Spring ever arrives, I hope to see many more of you at the lodge enjoying our great golf course, having a meal from our all day kitchen or attending our many upcoming Elks events. I hope this is a great month FORE you all!
