Youth Activities

by Jackie Norris PER, Youth Chair

On Tuesday May 13th a group of us will be holding another cooking class at Maryland Living Center to homeless teens. We will also be delivering the remaining kitchen items that were on order from Walmart. Namely, the pots and pans sets as well as pizza pans. I am looking forward to seeing the kids again. We really had fun getting to know each other in March, and am anxious to see how it goes. More on this in July.

The other project that we are taking on is to help fix up the mess hall at Camp Augustine. It is in need of paint and some minor repairs, Dick Freeling and I will be visiting the camp on Saturday May 3rd to see what needs to be done and we will be doing the work on Sunday May 18th. The work needs to be completed in May because the camps start in June and we want it to look great for the scouts. This project seemed a perfect way to use the Grant money that is to be used for scouting. We will be purchasing the paint and other necessities that has kept them from fixing up the camp.

If there is any money left over, I would like to buy a small fridge for the medics tent. They need it for medicines and such. I have a couple of volunteers to help, but would love to have a few more. Some scouts are lined up to help out too. If you would like to help, or maybe have spent time there and would like to see the camp fixed up, let Dick or I know. We hope it will be a fun and rewarding project, and we are proud to support the Boy Scout s and their wonderful camp.
