

From the Trustees by Randy Rippen

On October 12 a special meeting was held for all golf and, or Elks members and the Trustees at the lodge to discuss short and long term financial goals. There was approximately 35 members present at this Meeting.

Your Elk's Club and Golf Course has a real financial issue and we need everyone's help to resolve it. Right now we have a shortfall of \$50,000.00 on past due bills. We have outstanding loans and leases that amount to well over \$400,000.00. We need to get rid of as much of this debt as possible, especially what is outstanding right now. Several ideas were suggested by those in attendance. The following was voted on and approved by the trustees in attendance.

1. Golf membership dues will increase by 25%
Golfing members who are able to pay for their 2015 memberships now are strongly encouraged to do so.
