Long-Awaited Capital Campaign is Underway!

Beginning on September 26th, the Hastings Elks' began a major Capital Campaign aimed at raising funds for two major purposes: 1) Increasing the quantity and amount of our scholarship program, and 2) Upgrading equipment and making improvements to the golf course.

We feel quite certain our appeals to the community will be met with success. The Elks Scholarships are important to local students, and our golf course is an important asset to the area. Many of you will receive a letter in the next few days asking you to help us reach out to community leaders. Please lend a hand!
